Re: MI Websites for Reference

Good Afternoon:

As you are aware, MI companies are making rapid changes to their policies and programs. We have experienced instances when a loan has received underwriting approval, but mortgage insurance could not be obtained. In those instances, there is nothing we could do. The subject loan could not be purchased.

Therefore, we are providing web site addresses for each of the MI companies (six) with which we do business. These web sites will provide you and your staff information concerning changes and restrictions that are announced and implemented by the respective MI companies. Please do a periodic review of these sites so that you can be as confident as possible that mortgage insurance is available on the program you are considering. We will do the same.
